ACCOMMODATION

Each suite, residence and villa is a labour of love of interior designer Kelly Hoppen, and made to look like an architect or interior designer's holiday home. Settle in, relax, sunbathe, host some friends for a day party in your penthouse, take a dip in your villa pool, or just do nothing—make yourself at home.

86 LUX* Junior Suites

Our light and airy suites are cleverly designed to feel like a dreamy designer's loft. Located on the ground, first and second floors, each 65m² suite (including outdoor areas) has a terrazzo bathroom with a walk-in Chromotherapy shower and a stand-alone bathtub. A King-size bed and luxe linens make for the best sleeps. The dressing is roomy, as is the tropical outdoor terrace with a vista. Gorgeous design meets high-tech with smart home control features such as automatic shutters and curtains. Desks, minibars and 55" LED TV with on-demand films are a given. Settle in, this is your home in the tropics for the next few days.

20 LUX* Pool Residences

Guests travelling with a tribe in tow may opt for our gorgeous two en-suite bedrooms residences located on the first, second and third floors adjacent to the resort, easily accessible via a skywalk. Thoughtfully designed to be a home-away-from-home, each 180m² residence (including outdoor areas) comes with a living and dining space, an individual pool, and a wide terrace, perfect for hosting a dinner party.

2 LUX* Pool Penthouses

The crown jewel. Think butler service, modern furnishings, three en-suite bedrooms perfect for families or friends travelling together, a huge expanse of terrace bordering a pool with sunbeds, and a barbecue. This 325m² penthouse (including outdoor areas), adjacent to the resort, easily accessible via a skywalk.

7 LUX* Pool Villas

Our two en-suite bedrooms villas are something out of a wanderlust dream. Set over two floors in the tropical gardens and on the beach, each 240m² villa (including outdoor areas) comes with a private butler, an individual heated swimming pool, a barbecue, sundeck and gazebo, and a living and dining area. In other words, everything you need to make it your best holiday ever.

1 LUX* Grand Beach Pool Villa

This is very much your hideaway retreat on the island's most gorgeous beach. The over 620m² villa (including outdoor areas) has three en-suite bedrooms, a kitchen, space to relax and dine, a heated swimming pool, an outdoor tropical shower, a sun deck, gazebo and barbecue, a private butler and your own chef. A clever mix of beach club and restaurant, Beach Rouge evolves and metamorphoses from morning till night. For the first time ever, Beach Rouge is the main, day-into-night restaurant. When the sun dips below the horizon, the entire Beach Rouge is lit up in an electrifying red tint, to which it owes its name. This shift in mood draws night owls for Aperitivo at the two bars, festive dinners by the beach and why not some dancing to the beat of the resident deejay? For a moment you'll feel transported to the bohemian-chic Ibiza, or the crystalline coastline of Mykonos.

This gorgeous, contemporary café draws its soul from the typical cafés that line the streets of Milan. There's something for every hour of the day: morning coffee and pastries, afternoon tea and Aperitivo hour. Come nightfall, the barista is replaced with the bartender. Drinks are poured, canapés, served. After dinner, linger a little longer with a glass of absinthe or a digestif, and why not one of those delicate and dainty pastries in their jewel-like box?

- An impeccably-designed, chic Milanese-style café and bar

The Ai KISU experience pulls you in from the moment you step inside: the walls are adorned with modern Japanese art, chefs inside the open kitchen fire up sinfully delectable dishes inspired by the many cuisines of Asia, a soya sauce sommelier passes through the tables, eclectic dishes are served alongside exquisite cocktails. The show stopping Warayaki straw fire cooking adds to the heat of the atmosphere.

The other showstopper is the sunken views of the reflection pond, at level with Ai KISU. It's where you end up having too much fun to leave.

- Open kitchen with impressive Warayaki straw cooking method
- Skillfully-made, experimental cocktails as well as a wide range of Asian spirits

THE FOOD LAB

The Food Lab is where all the culinary Research & Development happens. It's in a secret place in the heart of the house, quiet and peaceful where the magic happens—a laboratory where our chefs create the next dishes following technique, seasonality, and trends. There's an ingredient library with hard-to-source gems. A fermentation area. A photography and video studio. Though it's an incubator for our chefs, a few lucky guests will have the chance to sample dishes in the making before they even reach our menus, dine at our Chef's Table, enjoy a wine tasting or a cooking class. This is where the magic happens.

We work in small batches of creative flavours, which change not only daily but throughout the day. And yes, you are welcome to come up with your own flavour.

KEEN ON GREEN

What's on your plate and how it gets there matter. We challenged our chefs to think how we can source more thoughtfully and make food a force for good. That's how Keen on Green came to be. Vegetarians, vegans, and even die-hard meat-eaters can order our delicious plant-based dishes labelled in green on our menus in all of our restaurants.

COCOONS
